**OHIO NAVAL MILITIA SPONSORS MARBLEHEAD LIGHTHOUSE TOURS**

**PORT CLINTON, OH, August 15, 2011:** For the second consecutive year and at the request of the Ohio Department of Natural Resources (ODNR); the Ohio Naval Militia (ONM) volunteered and sponsored the tour of the Marblehead Lighthouse on September 14, 2011.

BM1 Thomas Petty and DC3 Matthew Komara provided guided tours to over 500 visitors detailing the history and usage of the lighthouse as well as information about the Ohio Naval Militia. "We look forward to this event each year; being able to give back to the community in which we serve is very rewarding to each of our members" said BM1 Petty.

The Marblehead Lighthouse is one of Lake Erie's best known and most-photographed landmarks! The grounds surrounding the lighthouse offer excellent picnicking and views of Lake Erie, Sandusky Bay, Kelleys Island and South Bass Island. A museum, located in the Keeper's House and operated by the Marblehead Lighthouse Historical Society, is open whenever the tower is open.

The Ohio Naval Militia is always looking for motivated individuals to join our ranks. If you are between the ages of 17 and 67 and want to serve your State in an all volunteer Naval Defense Force the Ohio Naval Militia needs you. If you would like to learn more about nautical operations and the Ohio Naval Militia, and would be willing to volunteer one weekend a month and a couple of long weekends in the summer, please contact our Recruiting & Retention Office and setup an appointment to visit our facility; or visit our website: <http://navalmilitia.ohio.gov>.
